Additional Features

Reverse Search Option

Building Industry Online offers you access to a "Reverse Search". Although you are guaranteed (unless blocked by you) to come up in a search every time a builder is looking for the Tender categories you provide it is up to the builder to physically link you in. Our "Reverse Search" tool enables you to be proactive and get access to those projects you may be missing.

Option 1.

Pay per Use: Search by region or the entire state – choose the regions that suit .
\$30.00 (ex GST) per search per region.

Option 2.

Annual Fee – Unlimited Use - \$200.00 (ex GST) initial region.

Additional Regions – Unlimited Use - \$150.00 (ex GST) per additional region

State Wide – Unlimited Use - \$1000.00 (ex GST) (all regions)

Additional Features

Group Training Session

With your general registration you will receive online help and video links to assist you to run your profile. If you require extra support you can call our office to arrange access to a live group (webinar) training course. These sessions are run at set times and include up to 25 other members.

\$30.00 (ex GST) / session.

One on One Training

If you are not comfortable with technology and you need some extra assistance you may choose to book a one-on-one training session where you will have an individual instructor and support. These sessions can be held during working hours at times convenient to you. Working with your instructor you can go at your own pace, repeat anything you miss and simply direct the session to get the most out of it for you.

\$100.00 (ex GST) / session.

Help Desk Support

Building Industry Online provides full help desk support. This service is provided in the following options.

1. Minimum 1 month support - \$50.00 (ex GST) / Month per location.
 2. Annual Support - \$240.00 (ex GST) per location.
- Additional support locations \$ 150.00 (ex GST) / year
