General Registration

- BIO offers self managed, customized profiles for every supplier member. Add your logo, links to your website as well as brochures and any other documentation you desire. This information can be updated and changed by you as often as you like and at any time.
- If you are Code Compliant, make sure you tick the appropriate box and add your reference information. BIO is the only organization offering a filtered list of Code Compliant Subcontractors and Suppliers to our Building Members.
- Your Companies profile is guaranteed to come up in front of Builders looking for your services every time a project is loaded in your chosen region/s.
- Unlimited access to add or adjust your product categories at any time.
- Instant access to full documentation that can be downloaded and printed by you at no extra charge.
- Need documents printed to scale? – BIO has built in off site printing facilities that allow you access to A1's from \$1.10 and A3's \$0.22, with a delivery service from \$4.10. (Printing and Courier Prices can vary per regional location)
- Full access to a private document exchange between you and your individual builders for every project. Your private document exchange enables secure transfer of your project documentation – No need to email and fax – your information will never be lost or misplaced again!.
- Fully mobile office that you can access from anywhere at anytime.
- Online access to help links and video demonstration on “How your Profile works”.
- One credit point included (Valued at \$30.00 (ex GST)) for use on either Reverse Search or Marketing Feature Options.

Reverse Search Option

Building Industry Online offers you access to a "Reverse Search". Although you are guaranteed to come up in a search every time a builder is looking for the product categories you provide it is up to the builder to physically link you in. Our "Reverse Search" tool enables you to be proactive and get access to those projects you may be missing.

Option 1.

Pay per Use: Search by region or the entire state – choose the regions that suit . \$30.00 (ex GST) per search per region.

Option 2.

Annual Fee – Unlimited Use - \$200.00 (ex GST) initial region.

Additional Regions – Unlimited Use - \$150.00 (ex GST) per additional region

State Wide – Unlimited Use - \$1000.00 (ex GST) (all regions)

Marketing Feature:

The supplier profile has an online marketing feature built in and offers you a smart and efficient way to get your information in front of every Builder, Consultant and Trade Contractor on the database instantly – (limited only by your registered regions). This is a pay per use feature and costs \$30.00 (ex GST) each time. Use it for your newsletters, to introduce a new product line, to deliver information on a company special, introduce yourself or more. You can attach any documents you have uploaded to your profile as well as website links. This is a fantastic tool that will quickly and cost effectively increase your market exposure.

Group Training Session

With your general registration you will receive online help and video links to assist you to run your profile. If you require extra support you can call our office to arrange access to a live group (webinar) training course. These sessions are run at set times and include up to 25 other members.

\$45.00 (ex GST) / session.

One on One Training

If you are not comfortable with technology and you need some extra assistance you may choose to book a one-on-one training session where you will have an individual instructor and support. These sessions can be held during working hours at times convenient to you. Working with your instructor you can go at your own pace, repeat anything you miss and simply direct the session to get the most out of it for you.

\$100.00 (ex GST) / session.
