

Up Coming Training Courses

Business Management for Trade Contractors is a two day training course in class and a self-paced segment outside of class. The successful completion of this 24 hour course meets the “Business Management” requirement for the BSA Trade Contractor’s licence. You must produce a current WPH&S General Induction Card to complete the course.

Work Safely in the Construction Industry – (White Card)

National workplace health & safety laws require that all people must have successfully completed the Work Safely in the Construction Industry induction course (CPCCOHS1001A) – also known as the white card (previously the Blue Card) before entering a construction site and construction-type work is started.
