# Builders & Project Managers

Building Industry Online offers you a seamless system from Pre Tender to Archive and Backup

**Pre Tender → Tender → Live Project → Archive / Backup** (Defects Liability Period)

At Building Industry Online, we understand first hand the process builders take - no matter how small or large the project. That's why we've built the tools you need to help streamline and manage that entire process.

And it's all online.

Contact our team to find out how we can help you save time and money on your projects, and to arrange a demonstration.
