

## INDUSTRY MEMBERS Golf Day

Townsville is a talking point for the state; with wide spread opportunities for development and growth. Take a weekend out to see the region first hand and network with fellow industry members. Not only will it be good for your business, you will be supporting a great cause.

All proceeds from BIO's inaugural Charity Golf day will be distributed to the Cowboys Community Fund and Tec-NQ. The major objective of the Cowboys Community fund is to provide encouragement and financial assistance towards improving the quality of life for young North Queenslanders, while Tec-NQ directly supports the future of our industry in this region as well as many others.

### Sunday 5th September – BIO GOLF DAY
