# Opening Night

Opening Night for the new office of Building Industry Online and Turnbull Place, turned out to be a great success.

Over the course of the evening around 100 members and guests called in for a quick beer and a bite to eat.

Members and guests get a chance to relax and meet other members of BIO.

The night gave member suppliers an opportunity to show off their products and services.

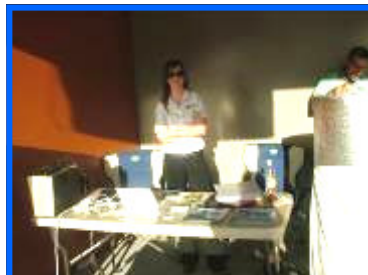

A special mention to our sponsors and helpers for the event that helped make it all possible.

- Bank of Queensland North Ward
- QSafe Solutions
- John Bradley Retravision
- The Design Centre
- Higgins Insulation
- North Queensland Tactile Industries
- TP Human Capital
- Force Rentals
- Key Motors

Their involvement helps make a great night and helps promote their products to our members.

Darren Wall, Bank of Queensland North Ward and BIO's Tanya Stainton, conduct the official opening, complete with Scaffold.
