## DAN THOMSON ARCHITECTURAL DRAFTING

### NEW HOMES

We understand the importance in designing a home that suits your lifestyle and budget.

We specialise in:

- Single storey
- Two storey
- Sloping Sites

Our new home designs are energy efficient, spacious and easy to maintain.

### HOUSE EXTENSIONS

Why move if you like the area you live in. Transform your space into an architectural and inspiring home.

We can design;

- Major renovations
- Decks and patios
- Additional bedrooms and garage space
- House lifting
- House relocating

### UNIT DEVELOPMENTS

If you are a developer or investor, we design modern and cost effective townhouses and unit complexes.

### COMMERCIAL

Our services extend into the commercial sector, offering corporate identity through slick modern design trends. Our projects range from:

- Office buildings
- Warehouse construction
- Pre-fab sheds
- New office tenancy fitouts

### BUILDERS STANDARD RANGE

We offer our services to builders who would like to offer their own standard range of plans.
